

# **Boys & Girls Club, Yawkey Club**

Roxbury, MA

The Club will replaced their old manually operated bleachers with two (2) Irwin Seating Company VersaTract, IDS Power Operated seating assemblies, with hand-held control. Corbin Seating Company demolished and disposed of the old bleachers prior to the installation, as well as coordinated the shipment, unloading, and installation of the two (2) new seating assemblies.

**Completed:** Fall 2022

**Contact:** Al Zarthar, Director of Facilities at Boys & Girls Club of Boston
