

Brooks School

North Andover, MA

With the renovation of their gymnasium the Brooks School replaced their bleachers with one (1) Irwin Seating Assembly which spans 76'-0" on one side of their gymnasium. In addition to its length, the 12 tier seating assembly is power operated, with IDS Friction Power, and has end curtains with the Schools' logo. Now completed its ready for 488 cheering Brooks School fans.

Seating Capacity: 488 **Completed:** Fall 2022
