

Overlook Middle School

Ashburnham, MA

Overlook Middle School replaced their original gymnasium bleachers with one (1) large Irwin Seating Company VersTract telescoping bleacher assembly. The assembly spans 80'-0" and has eight (8) tiers. The assembly includes end seat logos, end curtains, and IDS Power Friction Operation with hand held pendant controller. Corbin Seating Company furnished and installed these assemblies into the middle school gymnasium.

Seating Capacity: 365

Completed: March 2022
