

Newfound Regional High School

Bristol, NH

Newfound Regional High School replaced their aging bleachers with one (1) Irwin Seating Assembly which spans 80'-0" and includes fourteen (14) tiers. In addition to its length, the 14 tier seating assembly will be power operated, with IDS Friction Power, end seat logos, and when closed will display NRHS. This assembly is now ready to hold 599 cheering fans.

Completed: Fall 2022
