

## Corbin Seating Company

*The Northeast's Only Telescopic Seating Specialist*

---

### **Corbin 360 Inspection**

As New England's exclusive field partner with Irwin Seating Company's Telescopic Division, Corbin Seating Company offers code-required (ICC 300) inspection and maintenance services for your Irwin Seating Company telescopic seating system.

Our **Corbin 360** program offers two (2) price point options for annual inspection and maintenance, so as to properly align with your budget and needs.

#### **What you need to know:**

1. Owners of bleachers and telescopic seating systems are responsible for annual inspections to comply with government jurisdiction codes.
2. Owners of bleachers and telescopic seating systems are also responsible for required maintenance and proper operation to ensure safe conditions.
3. Inspection and maintenance of bleachers and telescopic seating systems should be included in all building preventative maintenance plans.
4. More than 9,000 bleacher / telescopic injuries occur each year.
5. Proper inspection could reduce the chance of collapse, injury, and liability exposure.

#### **Corbin 360 can help:**

- Factory trained and certified service technicians for equipment manufactured by Irwin Seating.
- Full-service inspections, preventative maintenance, and expert repairs.
- Comprehensive offering of life cycle seating services and genuine OEM parts.
